

REX KARMAVEER GLOBAL STUDENT STORYTELLING FELLOWSHIP (RKGSSF 2023-24)

Empowered by the Karmaveer Chakra awards instituted by iCONGO in partnership with the United Nations

For the last 20 years, we at REX Karmaveer Global Fellowship and Karmaveer Chakra awards, instituted by iCONGO (International Confederation of NGOs) in partnership with the UN (United Nations) have been recognising Real Heroes, Unsung Heroes and Everyday Ordinary Heroes from around the world, for their extraordinary actions and for inspiring heroic potential in others as champions of change, who be the change and transform our world for the better.

The Rex Karmaveer Global fellowships is a community of people who are driven by purpose and have a shared vision, common cause and mutual intent of learning2learn for personal discovery, growth and transformation because all change starts with the self. We passionately work with people from across the globe, for the mission encouraging social justice through citizen action, with a vision of creating a better, safer, just humane, egalitarian, fair and responsible society and world.

Thus, our Passion Mantras "Not Just Talks Ideas for Action" and 'Together as ONE we can RIGHT every WRONG' to experience 'The Joy Of Giving' simply by being and leading the change. I Change to change our society. I change to change our community. I change to change our nation. I change to change our world. I change to change. We have worked with various citizens and multiple stakeholders, to create win-win partnerships by bringing together a wide cross-section of concerned, responsible and caring citizens of the world from Government, Bureaucracy, Corporates, Academia, Civil Society, Media, Police, Armed Forces, Entrepreneurs, Sports, Movies, Music, Creative Arts, Performing Arts, Liberal Arts, Youth and Students.

> The Rex Karmaveer Global Student Storytelling Fellowship and Karmaveer Chakra Awards 2023 (RKGSSF) are exclusively for students from class V to XII.

(3 Categories Kidpower - Class 5 to 7 Teenpower - Class 8 to 10 and Youthpower - Class 11 to 12)

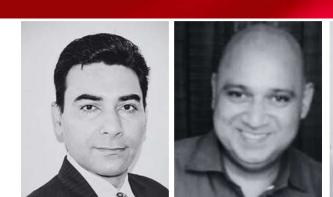

The Rex Karmaveer Global Student Storytelling Fellowship will showcase several schools and their students who participate and join the fellowship, with their exemplary writing and storytelling skill. Each participating student will get an opportunity to write a story/ essay on the real-life Heroes they've met or write about heroic experiences they've encountered and how it has left an indelible mark and inspired them.

OUR MISSION:

To inspire students to pursue their dream and transform their passion into their vision and mission of life.

To inspire them to step out of their comfort zone to find impactful stories about real-life heroes thus preparing them for the most essential life, leadership and learning to learn skillsets of the future, which include effective communication, presentation and creative writing that is rooted in the art, craft and science of storytelling.

Mentors In Residence

Top Global Educational Institutions, HR Organisations and Think-Tanks have researched and identified Leadership, Learning2Learn, Empathy,

WHY?

Emotional Intelligence, Self Esteem, Self-Awareness, Growth Mindset, Critical Thinking, Creativity, Artificial Intelligence, Decision Making, Data Analysis, Entrepreneurship, Cognition, Collaboration, Project Management, Problem Solving, Logical Reasoning, StoryTelling, and few other skills as the most essential skillsets and LIFE SKILLS of the future in personal, professional and all dimensions of life. Many students around the world (especially in India) also lack skills for effective communication, presentation and creative writing and hence get left out in their life mission and career growth. We aspire to encourage students to learn, advance and practice their communication, presentation and speaking skills for continuous improvement through the medium of Storytelling. Studies prove storytelling and writing TRUE STORIES OF REAL HEROES is deeply therapeutic and help with cognitive growth and aid mental wellness along with rendering focus and developing the power of curiosity, imagination, innovation, creativity, social skills and all the most essential skills of the future as listed above.
