Rex Karmaveer Global Education Change Champion Fellowship and Karmaveer Chakra Awards (RKGECCFA) is a community of School Leaders within the larger Rex Karmaveer Global Fellowship (RKGf) empowered by the Karmaveer Chakra awards instituted by iCONGO in partnership with the UN. Our fellowships are communities of people who are driven by purpose and have a shared vision, common cause and mutual intent of learning2learn for personal discovery, growth and transformation because all change starts with the self.

We passionately work with people from across the globe, for the mission of encouraging social justice through citizen action, with a vision of creating a better, safer, just, humane, egalitarian, fair and responsible society and world. Thus our Passion Mantra is 'Together as ONE we can RIGHT every WRONG' to experience 'The Joy of Giving', simply by being and leading the change. I Change to change our Society. I change to change our Community. I change to change our Nation. I change to change our World. I change to change Everything and Everyone. Over the past 20 years we have worked with various citizens and multiple stakeholders, to create win-win partnerships by bringing together a wide cross-section of concerned, responsible and caring citizens of the world from Government, Bureaucracy, Corporates, Academia, Civil Society, Media, Police, Armed Forces, Entrepreneurs, Sports, Movies, Music, Creative Arts, Performing Arts, Liberal Arts, Youth and Student sectors, to stand up, speak out and make a difference with Individual social responsibility.

Our REX Karmaveer Global Fellows are credible, ethical, members of society who are specifically curated, nominated and awarded in recognition of their work and accomplishments to make a difference in society or their inspiring work, deeds and ideas for action to change mindsets for the betterment of self and society. All are fellows are stellar Voices of Conscience, Voices of Humaneness and Voices of People Power, who exercise and rejoice THE POWER OF ONE.
